

The map displays the KRE-26 area, which is a large, irregularly shaped region. The area is primarily green, indicating forested land, with some yellow areas representing agricultural land. The map includes several labels for locations and features:

- Locations and Features:** Nad Grmom, Pištenik, Skleda, Mala Bukovje, Berber, Mala njivca, Kolarjeva dolina, Cigan, Škukovec, Mali hrib, Župnik, Pregan, Trnuni, Nad Lozo, Jepleni dol, and Migovec.
- Administrative Boundaries:** The map shows various administrative boundaries, including the KRE-26 area and the POD-18 area.
- Settlements:** The map includes several settlements, such as Mala njivca, Kolarjeva dolina, Cigan, Škukovec, Mali hrib, Župnik, Pregan, Trnuni, Nad Lozo, Jepleni dol, and Migovec.
- Other Labels:** The map also includes labels for various other features, such as "G" (likely a road or boundary), "K2", "KRE-26", "POD-18", "CDL", "Vrsta", "Župnik", "Pregan", "Trnuni", "Nad Lozo", "Jepleni dol", and "Migovec".

The map is a detailed representation of the KRE-26 area, showing its geographical features, settlements, and administrative boundaries. The color-coding and labels provide a clear overview of the region.
